

ACCA - Association of Chartered Certified Accountants

Programme details:

ACCA is a great choice for professional development. It can offer you excellent job prospects. Because accountants play a central function in any business, accountancy offers you prestige and responsibility. Apart from successfully passing the papers, you will also need to complete three years relevant experience. A complete ACCA is equivalent to a master's degree.

Learning, Teaching & Assessment

Guided Learning: The students will be exposed to lectures, tutorials and supervised study by the teachers.

Lectures: The teacher will present materials either orally or by the use of other teaching aids.

Online Learning: The lecture notes, online tests, additional study material, discussion group and links to related subjects will be made available to students.

Independent Learning: The students will have to undertake self-directed independent learning where the teacher acts as a guide.

Assessment: This will be of various types. It could be written or objective type (multiple choice) or a combination of both. For details refer to ACCA website www.accaglobal.com
