## Admissions Criteria

**1)** Applicants are expected to have completed a Bachelors Degree, preferably up to Honors level from a recognised institution.

**2)** For enquiries and more information please visit our website: **www.bothouniversity.com**

\*Please note that this programme is a teaching qualification which prepares learners to become qualified and professional teachers therefore, all students in this programme must do their practical teaching (Teaching Practice / PPA2 module) in order to graduate.

## Diploma in Occupational Health and Safety

### Programme details:

The programme consists of core (required) and elective modules. Some modules may have pre-requisites (i.e. may require the students to pass another module or set of modules first). The number at the end of the module in parenthesis indicates the credit load of the module. One credit is equal to 10 hours of learning (guided in class and independent combined); therefore 10-credit module requires on average 100 hours of learning from the students.
