

Bachelor of Business Administration in Business Management

Programme details:

The programme consists of core (required) and elective modules as follows. Some modules may have prerequisites (i.e. may require the student to pass another module or set of modules first). Some modules may be co-requisite (i.e. such modules are required to be taken together). The number at the end of the module in parenthesis indicates the credit load of the module. 1 credit is equal to 10 hours of learning (guided, inclass and independent combined); therefore a 10-credit module requires on average 100hours of learning from the student.
